I am forwarding herewith a copy of the decree passed by the Sub-Judge of Bangalore in O.S. No. 716 of 1898-99, on the file of his Court, regarding the acquisition of a piece of land belonging to Munivenkata Chetty and brothers, to the South of the Mysore Road, I have the honor to state that the land was

acquired, originally, at the instance of the late City Improvement Committee for the purpose of a Municipal road to the new Thangasseri. As the owners of the land did not agree to the settlement made by the then Deputy Commissioner, the claims of the parties were referred to the Civil Court for adjudication as required by the Land Acquisition Regulations. A part of the land lying to the east of the road having been latterly required for the Compound of the new Victoria Hospital the total amount decreed by the Court has to be contributed by the Public Works Department and the Municipal Board. A memorandum shewing the particulars of the amount due from the Municipal Board for the land taken up by the road, is here to attached. Requests that very early arrangements may be made to pay the amount to the parties and settle their claims.

From

THE PRESIDENT,

To The Secretary to the
Government of Mysore
General & Revenue Depts.
Bangalore

Sir,

With reference to your docket No 14674/Mis 3180 dated 28th ultimo calling for a report on certain points referred to in para 10 of Government order No 2499-L.T. 82-92 dated 27th June 1895 passed on the final report of Bangalore City Improvement Committee, I have the honor to report as follows:—

(a) The balance of Rs 1,163-1-0 mentioned in Clause (a) of para 10

of the above order was credited to the Treasury, but from enquiries made a portion of the amount appears to have been erroneously credited to the Municipal Funds. This is being traced and a separate report will be submitted to Government shortly on this point.

(b) The arrears — which remained outstanding at the time of the dissolution of the City Improvement Committee amounted to Rs 9185-12-3 and not Rs 9091-11-10. Out of this amount Rs 2944-1-3 have been recovered and credited into the Treasury. The balance outstanding is Rs 6241-11-0 and steps are being taken to recover the same without further delay.

(c) To the number of sites (102) shewn

in statement 3 appended to the Government Proceedings dated above must be added 121 as sites newly formed. This makes the total number of sites 223 including those in new Guttahalli. Of these, 138 sites (situated in Northern and Western Extensions and new Guttahalli) were disposed of and a sum of Rs 6672/14 out of the value, viz Rs 7957-14-0, was collected leaving a balance of Rs 585 still to be collected. The whole of this amount has been credited to the City Improvement Fund. The number of sites remaining unsold is particularized in the accompanying statement.

2. In connection with the land taken up for opening a road in new Jaraguntte, a revised bill for

of the above order was credited
to the Treasury, but from enquiries
made a portion of the amount
appears to have been erroneously
credited to the Municipal Funds.
This is being traced and a sepa-
-rate report will be submitted to
Government shortly on this point.
(b) The arrears which remained
outstanding at the time of the dissolution
of the City Improvement Committee
amounted to Rs 9185-12-3 and not-
Rs 9091-11-10. Out of this amount
Rs 2944-1-3 have been recovered
and credited into the Treasury.
The balance outstanding is Rs
6241-11-0 and steps are being taken
to recover the same without fur-
-ther delay.
(c) To the number of sites (102) sl..

in statement 3 appended to the Government Proceedings quoted above must be added 121 as sites newly formed. This makes the total number of sites 223 including those in new Guttahalli. Of these, 138 sites (situated in Northern and Western Extensions and new Guttahalli) were disposed and a sum of Rs 6672/14 out of the value, viz Rs 7257-14-0, was collected leaving a balance of Rs 585 still to be collected. The whole of this amount has been credited to the City Improvement Fund. The number of sites remaining unsold is particularized in the accompanying statement.

2. In connection with the steps taken for opening a new Garage

No 7910-7-0 has since been received from the Deputy Commissioner and is herewith submitted for favor of early sanction, in supersession of the one submitted with my letter No 147 dated 3rd June 1899. The revised bill represents the correct amount of the proportionate share of Compensation to be borne by the City Improvement Fund according to the recent measurements, made by the Executive Engineer, Bangalore Division.

The Compensation due for the strip of Ground taken up for the Victoria Hospital Compound and of the total extent will be borne by the to:
